Jennifer,

I just wanted to confirm that I am looped in on this and will be your point person for the consultation and proposing a readoption date. Please direct the responsive emails to me.

Thanks to Travis and others for jumping in and handling this while I was out.

Good afternoon,

The attached periodic review report has been finalized. The next step is to set a deadline for the readoption of the “Necessary” rules. Pursuant to G.S. 150B-21.3A and 26 NCAC 05 .0212, the RRC sets this deadline after consultation with the agency, and this email serves as the RRC’s request for that consultation. Please review 26 NCAC 05 .0212 for the information required to be submitted to the RRC, and the deadlines for doing so.

The deadline for your agency to provide this information is July 8, 2025. As a starting point, I would recommend August 1, 2027, as a readoption deadline, but I am open to considering a different date based on the needs of your agency. Please consult with Seth Ascher hereafter to discuss your agency’s readoption deadline for these rules.

Please reply to confirm receipt of this email. Let me know if you have any questions. Thank you.

Jennifer,

Thanks for reaching out. It appears to me that 15A NCAC 02S was sent to APO on February 28, 2025, meaning the 61st day was April 30, 2025. As you noted, Seth is currently out of the office, but in light of the timing of the EMC meeting, Travis will send you a consultation request before the end of the day.

Best,
Brian

Hi - Ok, Seth is out of the office. The 60 days have passed since the Report was sent to the APO. The EMC is meeting tomorrow and we anticipated that the request would have been emailed to me ahead of the EMC's meeting. Can someone send me the consultation request for 15A NCAC 02S on the readoption schedule? Thanks.
